

Pin busbar touch-safe, 16 mm<sup>2</sup> 2-phase, 1016 mm long can be cut, without end caps

| Model                             |                                  |
|-----------------------------------|----------------------------------|
| product brand name                | SENTRON                          |
| product designation               | Pin busbar                       |
| design of the product             | 16 mm <sup>2</sup> , 2PH L1016mm |
| General technical data            |                                  |
| phase number                      | 2                                |
| cross-section                     | 16 mm <sup>2</sup>               |
| Main circuit                      |                                  |
| operational current / rated value | 80 A                             |
| Product details                   |                                  |
| product feature / insulated       | Yes                              |
| Connections                       |                                  |
| type of electrical connection     | Pin                              |
| Mechanical Design                 |                                  |
| width                             | 15.8 mm                          |
| length                            | 1 016 mm                         |
| net weight                        | 467.82 g                         |
| General Product Approval          |                                  |
| Declaration of Conformity         |                                  |
| other                             |                                  |
