## SIEMENS

## Data sheet

## 3RT2037-1AP64

Power contactor, AC-3 65 A, 30 kW / 400 V 2 NO + 2 NC, 220 V AC, 50 Hz 240 V, 60Hz, 3-pole Size S2, screw terminals

| product brand name  | SIRIUS                      |
|---|-----------------------------|
| product designation   | Power contactor             |
| product type designation  | 3RT2                        |
| General technical data  |                             |
| size of contactor   | S2                          |
| product extension   |                             |
| <ul> <li>function module for communication</li> </ul>   | No                          |
| auxiliary switch  | No                          |
| power loss [W] for rated value of the current at AC in hot<br>operating state                               | 11.4 W                      |
| per pole  | 3.8 W                       |
| power loss [W] for rated value of the current without<br>load current share typical                         | 18.5 W                      |
| surge voltage resistance  |                             |
| <ul> <li>of main circuit rated value</li> </ul>   | 6 kV                        |
| <ul> <li>of auxiliary circuit rated value</li> </ul>  | 6 kV                        |
| maximum permissible voltage for safe isolation between<br>coil and main contacts acc. to EN 60947-1         | 400 V                       |
| shock resistance at rectangular impulse   |                             |
| • at AC   | 9.8g / 5 ms, 6.5g / 10 ms   |
| shock resistance with sine pulse  |                             |
| ● at AC   | 15.3g / 5 ms, 10.1g / 10 ms |
| mechanical service life (switching cycles)  |                             |
| <ul> <li>of contactor typical</li> </ul>  | 10 000 000                  |
| <ul> <li>of the contactor with added electronically optimized<br/>auxiliary switch block typical</li> </ul> | 5 000 000                   |
| <ul> <li>of the contactor with added auxiliary switch block<br/>typical</li> </ul>                          | 10 000 000                  |
| reference code acc. to IEC 81346-2  | Q                           |
| Substance Prohibitance (Date)   | 01.10.2014 00:00:00         |
| Ambient conditions  |                             |
| installation altitude at height above sea level maximum   | 2 000 m                     |
| ambient temperature   |                             |
| <ul> <li>during operation</li> </ul>  | -25 +60 °C                  |
| during storage  | -55 +80 °C                  |
| Main circuit  |                             |
| number of poles for main current circuit  | 3                           |
| number of NO contacts for main contacts   | 3                           |
| operating voltage at AC-3 rated value maximum   | 690 V                       |

| operational current   | -                     |
